### THE INSTRUCTIONS FOR SHAREHOLDERS VOTING ELECTRONICALLY ARE AS UNDER:

- (i) The voting period begins on **Friday, 27<sup>th</sup> September, 2024 (9:00 a.m. IST) and ends on Sunday, 29<sup>th</sup> September, 2024 (5:00 p.m. IST)**. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Monday, 23<sup>rd</sup> September 2024** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Shareholders who have already voted prior to the meeting date would not be entitled to vote on the date of meeting.
- (ii) The shareholders should log on to the e-voting website [www.evotingindia.com](http://www.evotingindia.com).
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Mr. Sri Kant was appointed as Additional Director in the category of Independent Director by the Board on 03<sup>rd</sup> Sept, 2024 based on the recommendation of Nomination and Remuneration Committee. The appointment was made for a period of 5 years, subject to approval of the shareholders at the Annual General Meeting.

Pursuant to the provisions of Section 161 of the Act, Mr. Manoj Kumar will hold office upto the date of this Annual General Meeting. The Company has received a declaration from Mr. Manoj Kumar confirming that he meets the criteria of independence as prescribed both under Section 149(6) of the Act and under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations"). In the opinion of the Board and based on the declaration of independence submitted by him, Mr. Manoj Kumar fulfills the conditions specified in the Act, the Rules made thereunder and the Listing Regulations for his appointment as an Independent Director and that he is independent of the management. The Company has received a declaration in prescribed Form DIR-8 stating that he is eligible for appointment as a director of the Company and has not been disqualified pursuant to the provision of Section 164(2) of the Companies Act, 2013.

The Company has received consent from Mr. Manoj kumar to act as Director of the Company in Form DIR-2, pursuant to Section 152(2) and Rule 8 of Companies (Appointment and Qualification of Directors) Rules, 2014 and obtained a declaration confirming independence under Section 143(6) of the Companies Act, 2013.

Keeping in view the above and in terms of Listing Regulations, consent of the Members for appointment of Mr. Manoj Kumar as an Independent Director, not liable to retire by rotation, is sought by way of special resolution, as set out in the resolution in Item No. 3 of the accompanying Notice.

Pursuant to the provisions of the Act read with Regulation 36(3) of the Listing Regulations, the relevant details pertaining to Mr. Manoj Kumar are furnished hereunder:

Mr. Manoj Kumar holds a bachelor degree in Science from Agra University and Diploma in Software from NIIT Delhi. He has over 5 years of corporate experience in the field of Corporate Governance and Commercial Laws. He has been instrumental in ensuring effective governance in all the companies and organizations that he has been associated with his ability as an Independent Director. He also specializes in drafting business and commercial agreements, advising on corporate commercial laws, resolving corporate structuring issues, rendering strategic advice.

Mr. Manoj Kumar is deemed to be interested in the proposed resolution mentioned at Item No. 3 of the accompanying Notice.

None of the Directors, Key Managerial Personnel (KMP) or relatives of Directors and KMPs other than Mr Manoj Kumar, are in any way concerned or interested, financially or otherwise, in the Resolution set out at Item No. 3 of the accompanying Notice.

Therefore, your board recommends the resolution proposed at the Item No. 03 for approval of members as a special resolution.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### 1. GLOBAL ECONOMY

#### GROWTH PREDICTIONS

\*Figures for India are for FY24 and FY25, respectively  
Source: IMF

The global economy witnessed a blend of opportunities and challenges. It persisted with challenges and uncertainties arising on account of inflation dynamics, rising geo-political tensions leading to supply-chain disruptions and pace of post pandemic recovery. However, economists believe that several growth opportunities lie ahead, which are well supported by resilient performance by Central Banks in controlling inflation, major emerging markets showing consistent and strong growth outlook along with soaring capital markets across the globe. According to the latest projections by the International Monetary Fund (IMF), the global economy is slated to grow at 3.2 percent in 2024 and holding steady, even for 2025. The IMF also expects the global headline inflation to decline to 5.9 percent in 2024 and sequentially to 4.5 percent by the end of 2025, leading to a soft landing.

### 2. INDIAN ECONOMY

The Central Bank measured stance along with prudent growth policies resulted in another strong year for the Indian economy. As per projections by the IMF, growth in India is projected to remain strong at 6.8 percent in 2024 and 6.5 percent in 2025 with the robustness, reflecting continuing strength in domestic demand and a rising working-age population. The resilient growth demonstrated by the economy has led to expectations that the Indian economy may become the third largest in the next few years. Further, India's inclusion in the Emerging Markets bond index is also poised to draw significant foreign capital into the country, which would further act as a booster.

### 3. INDIAN REAL ESTATE MARKET ANALYSIS

The Indian Real Estate sector witnessed a strong growth in the past couple of years and is poised for an assuring growth in the future. The outlook is driven by a confluence of multiple factors including increasing urbanization, shifting demographics, aspirational lifestyle and supportive economic growth in the country.

A number of factors are adding further impetus to the growth of the industry. The growth can be attributed to a growing residential demand, expected growth in sustainable workplaces, rising consumption and needs of a growing population with higher income levels.

## ADHBHUT INFRASTRUCTURE LIMITED

CIN: L51503HR1985PLC121303

Registered address: Begampur Khatola, Khandsa, Near Krishna Maruti, Basai Road, Gurgaon, Haryana, India, 122001

The growth of this sector is well complemented by the growth in the corporate environment and the demand for office space as well as urban and semi-urban accommodation. The construction industry ranks third among the 14 major sectors in terms of direct, indirect, and induced effects in all sectors of the economy.

In India, the real estate sector is the second-highest employment generator, after the agriculture sector. It is also expected that this sector will incur more non-resident Indian (NRI) investment, both in the short term and the long term. Bengaluru is expected to be the most favoured property investment destination for NRIs, followed by Ahmedabad, Pune, Chennai, Goa, Delhi, and Dehradun. Retail, hospitality, and commercial real estate are also growing significantly, providing the much-needed infrastructure for India's growing needs.

#### 4. OUTLOOK AND STRATEGY

- The Company has followed all legal and Regulatory Compliances requirement and has implemented all statutory requirements.
- Your Company believes that demand conditions in the real estate sector are exhibiting early signs of improvement, and signs of declining interest rates as well as renewed activity in the lending and public capital markets are expected to ease funding pressures. As your Company continues to build on its core business of real estate development and leasing, your Company believes that it is well placed to achieve its targets of reducing its overall indebtedness, executing its real estate development and leasing operations and taking advantage of a potential revival in economic growth and its resultant positive effects on the real estate sector. Expansions are required to be made in developing Shopping Complexes.
- The Company remains focused on growing the rental portfolio by capturing the organic growth potential along with new products across, both office and retail segments. The Company expects to maintain its growth trajectory and achieve double-digit growth in its portfolio through organic growth, coupled with new developments. The positive outlook towards the retail business has led to a development of new retail destinations and the Company expects to double its retail presence over the next few years
- Foreign institutional Investors have also shown confidence in the country's construction and are showing up investments in India. This is a positive sign and will open new areas of growth and development.
- The Company has followed all legal and Regulatory Compliances requirement and has implemented all statutory requirements.

#### 5. GOVERNMENT INITIATIVES

Nirmala Sitharaman, the finance minister, delivered the Indian Union Budget 2024-25 on July 23rd, 2024. The budget placed a lot of emphasis on many industries, particularly real estate, which has a big influence on the Indian economy. The following are some significant real estate-related announcements:

The key highlights in respect of real estate sector are:

- Revised Capital Gains tax framework for units of REITs
- Rationalization of Capital Gains on transfer of immovable property

## ADHBHUT INFRASTRUCTURE LIMITED

- TDS on payment of rent by certain individuals/ HUF
- TDS on transfer of immovable property
- Rental income from letting out of residential house property to be taxed under 'Income from House Property'

➤ **Affordable Housing:** In this Union Budget, three crore additional houses under Pradhan Mantri Awas Yojana (PMAY) have been announced for urban areas. With an investment of Rs.10 lakh crore, housing needs of 1 crore urban poor and middle class families will be addressed. It is a significant move that will support the affordable housing segment. It will also boost the demand for housing materials and workforce on construction sites. Further Foreign investors are increasingly recognizing the potential of India's real estate market. The commercial real estate sector, in particular, has seen significant interest from global investors. Growing urbanization, the rise of the middle class, and the expansion of sectors like e-commerce and technology have created a demand for office spaces, logistics facilities, and retail outlets.

➤ **Government To Help Provide Housing For Middle Class, Announces FM:**

Finance Minister Nirmala Sitharaman has announced that the government will help the middle class living in rented houses, slums or unauthorized colonies build or buy their own houses as a major announcement during the Budget 2024.

➤ **Opportunity for Real Estate Stakeholders:** Announcement about Developing industrial parks, corridors, infrastructure, and vegetable supply chains near urban consumption centres will offer significant opportunities for real estate stakeholders.

➤ **Cheaper Rental Home Complexes:** The government has also unveiled a plan for the construction of such complexes, which would offer migratory workers and the urban underprivileged affordable housing choices.

➤ **Indexation Benefit removed on properties bought after 2001:** The central Government has announced a significant change in the tax treatment of immovable properties, clarifying that the indexation benefit will be removed for properties bought after 2001 while retaining it for those purchased before that year. This adjustment accompanies a proposal to reduce the long-term capital gains (LTCG) tax on real estate from

20% to 12.5%, aimed at simplifying tax calculations.

Experts say this shift could lead to a heavier tax burden for property sellers. They are saying that this could hinder the growth of the real estate sector.

➤ **Real Estate Investment Trusts (REITs) Regime:** The government has declared the implementation of a REITs regime, which will offer investment possibilities in the real estate industry and aid in addressing the rising housing need.

➤ Lastly, One of the biggest game changing policy implementation was the introduction of the Real Estate (Regulation and Development) Act (RERA) which has put a semblance of order in the real estate sector by boosting investor confidence and streamlining the builder response by framing their responsibilities and duties. Moreover, foreign investors who are watching the Indian real estate market have also witnessed how the Indian housing trends are changing in favour of urban dwellings. The resurgent middle class has also led to a boom in the demand for urban housing. In addition, this is not just limited to the metros. It has spread to tier two and tier three towns as well. The returns and margins are so good in Indian real estate that many global institutional investors are now eyeing the Indian real estate market like never before. The government's move to allow 100% FDI in construction, and development projects has also boosted the investors' confidence in the sector.

### 6. OPPORTUNITIES AND CHALLENGES

#### ✓ Opportunities

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company has well accepted brand, contemporary architecture, well-designed projects in strategic locations, strong balance sheet and stable financial performance even in testing times make it a preferred choice for

Customers and shareholders. Your company is ideally placed to further strengthen its development potential by acquiring new land parcels.

Leading experts in the Indian property market is viewing 2024-25 as a booming year for the industry. According to them, in the next few quarters, there will be 8-10% hike in sales collectively in residential, commercial, and retail segments. With the demand for housing on the rise, it's a sure bet to invest in residential real estate. Likewise, both commercial and retail segments are rapidly expanding, thanks to the immense growth in the respective sectors. Obviously, for investors, it is the right time to add real estate in their portfolio.

- a) **Commercial Real Estate:** The commercial real estate segment, including office spaces, shopping malls, and warehouses, offers significant growth opportunities in the Indian real estate sector. With the growth of e-commerce, there is an increasing demand for warehouses and logistics parks.
- b) **Co-Living and Co-Working Spaces:** Co-living and co-working spaces are gaining popularity in India, especially in urban areas. Developers who focus on this segment can cater to the growing demand for flexible and affordable living and working spaces.
- c) **Affordable Housing:** The affordable housing segment is a significant opportunity in the Indian real estate sector. The government's focus on providing "Housing for All" by 2022 has created a huge demand for affordable housing. Developers who focus on this segment can benefit from government incentives and tax breaks.
- d) **Real Estate Investment Trusts (REITs):** REITs have been introduced in India to provide investors with an opportunity to invest in the Indian real estate market. Developers can benefit from REITs by monetizing their assets and attracting long-term investors.
- e) **Technology-Enabled Real Estate Services:** Technology is playing an increasing role in the Indian real estate sector, with the development of online property portals, virtual property tours, and digital marketing. Developers who adopt technology can improve their marketing efforts and attract a wider audience.

Overall, the Indian real estate sector offers significant opportunities for developers, investors, and home-buyers. Developers who focus on affordable housing, commercial real estate, co-living and co-working spaces, and adopt technology can benefit from the growing demand in these segments. Investors can benefit from the potential returns from the Indian real estate market through REITs.

#### ✓ Challenges

- a) **Regulatory Environment:** India's real estate industry has historically been characterized by a lack of transparency and weak regulations. This has led to fraudulent practices such as delayed project completion, misappropriation of funds, and conflicts between developers and buyers.
- b) **Land Acquisition:** Land acquisition is a major challenge for real estate development in India. The process is complicated, time-consuming, and often leads to disputes between developers, landowners, and government authorities.
- c) **Financing:** Access to financing is another major challenge for real estate developers in India. Banks are often hesitant to lend to the industry due to high levels of default risk, and interest rates can be prohibitively high.
- d) **Construction Delays:** Delays in project completion are a common problem in the Indian real estate industry. This can be due to a variety of factors, including delays in obtaining approvals, shortage of skilled labour, and supply chain disruptions.

## ADHBHUT INFRASTRUCTURE LIMITED

CIN: L51503HR1985PLC121303

Registered address: Begampur Khatola, Khandsa, Near Krishna Maruti, Basai Road, Gurgaon, Haryana, India, 122001

- e) **High Inventory Levels:** Oversupply of properties in some markets has led to a build up of inventory, which has resulted in lower prices and lower demand.
- f) **Lack of Professionalism:** The Indian real estate industry is often criticized for a lack of professionalism, with developers often failing to deliver on promises and providing poor customer service.
- g) **Lack of Infrastructure:** Lack of infrastructure, including roads, water, and electricity, is a major challenge for real estate developers in many parts of India. This can make it difficult to attract buyers and tenants.

The Company addresses these risks through a well structured framework which identifies desired controls and assigns ownership to monitor and mitigate the risks.

### 7. STRENGTHS

Your Company continues to capitalize on the market opportunities by leveraging its key strengths. These include:

- a) **Brand Reputation:** Enjoys higher recall and influences the buying decision of the customer. Strong customer connects further results in higher premium realizations.
- b) **Execution:** Possesses a successful track record of quality execution of projects with contemporary architecture.
- c) **Strong cash flows:** Has built a business model that ensures continuous cash flows from their investment and development properties ensuring a steady cash flow even during the adverse business cycles.
- d) **Significant leveraging opportunity:** Follows conservative debt practice coupled with enough cash balance which provides a significant leveraging opportunity for further expansions.
- e) **Outsourcing:** Operates an outsourcing model of appointing globally renowned architects/contractors that allows scalability and emphasizes contemporary design and quality construction – a key factor of success.
- f) **Transparency:** Follows a strong culture of corporate governance and ensures transparency and a high level of business ethics.

### 8. THREATS/RISK

#### ➤ Political uncertainty

From the cold war period, maximum developing countries are feeling the threat of global polarization. Although, the threats are not visible but there is an undercurrent of uncertainty looming around real estate. The change of leadership affects heavily on the taxation system which has direct link to real estate sector. When the throne gets shifted to another leader, the economic environment gets influenced. Sometime, the new leadership may halt the taxation reforms inducted by his previous leader. Tread war between countries are also another bigger threat to the real estate companies.

#### ➤ Interest rate

When interest rates rise, it has firm impact on residential real estate markets. This rise will reduce the demand of new home among the customers and in this way; the real estate industry goes dry. The prices of the homes get elevated and in this way, they won't be affordable as before. The growth of interest rate will reduce the demand of homes among potential customers.

#### ➤ Economy and housing affordability

When the economy goes down, the affordability of the home goes up. In this way, the budget of the home gets increased which has a direct negative impact on the customer purchase power. Once, the affordability of the homes gets reduced; customers will feel the heat and they will halt their plan to purchase new homes.

---

### ➤ **Change of demography**

Change of demography also impacts negatively on the real estate market. When the demands of homes get increased for certain demographic division, the prices get automatically elevated. On the other hand, if the demands get decreased, the prices get decreased too.

### ➤ **Loss of middle class society**

At the present time, in developing countries, there is a huge drop of middle class society. Needless to mention, this class is known as the potential consumer of real estate market.

### ➤ **Troubled Technology**

Presently, there is a huge adoption of technology in the reality sector. These are including robotic, AI, driver less cars, high speed and sophisticated communication systems are reducing the demand of mega structure homes and increasing the living of capsule homes.

### ➤ **Natural Disaster**

Housing is always a matter of several thousands of dollars. Once the home gets destroyed with natural disaster, the owner may not able to build another one. This is the main reason for which, the demand of homes get decreased specially in disaster prone areas.

### ➤ **Energy and water crisis**

Energy is the backbone of life. While going to choose a perfect home, owners first check whether that area sufficient supply of energy and water or not. If there is any shortage of water or energy, the plan for purchasing home get turned down.

### ➤ **Infrastructure**

All most all the home owners prefer to purchase their homes in highly developed areas. Cities are the first choice for purchasing homes. However, if there is poor infrastructure, people won't agree to purchase the homes in those areas.

### ➤ **Immigration**

Immigration issue is always looming as a biggest threat to the home buyers. There are several countries like USA those have laws to oust foreigners. If a foreigner is not sure about his future, why they will invest on housing? This is the main reason for which, real estate sector face threat from these kinds of laws.

## 9. **SEGMENT WISE PERFORMANCE**

The Company deals in only one segment i.e. Real Estate. Therefore, it is not required to give segment wise performance.

## 10. **FINANCIAL OVERVIEW**

The **Revenue from Operations** is 255.75 Lakhs for the financial year 2023-24.

**Profit/Loss before Tax:** The Profit before Tax for 2023-24 is 107.21 Lakhs as compared to Loss before Tax of Rs. 1,145.69 Lakhs in 2022-23.

**Profits/Loss after Tax:** The Profit after Tax for 2023-24 is 87.27 Lakhs as compared to Loss after Tax of Rs. 1166.99 Lakhs in 2022-23.

## 11. **INTERNAL CONTROL SYSTEMS**

The company has proper and adequate system of internal controls commensurate with its size and nature of operations to provide assurance that all assets are safeguarded, transactions are authorized, recorded and reported properly; applicable status, the code of conduct and corporate policies are duly complied with.

The Company has an internal audit department which conducts audit in various functional areas as per audit programme approved by the Audit Committee of Directors. The internal audit department reports its findings and observations to the audit committee, which meets at regular intervals to review the audit issues and to follow up implementation of corrective actions.

## Independent Auditor's Report

To the Members of Adhbhut Infrastructure Limited

Report on the Standalone Ind AS Financial Statements

### Opinion

1. We have audited the accompanying standalone Ind AS financial statements of Adhbhut Infrastructure Limited ('the Company'), which comprise the balance sheet as at March 31, 2024, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at March 31, 2024, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Material uncertainty related to going concern

4. The Company has accumulated losses amounting to Rs. 2,265.89 lakhs as on March 31, 2024 resulting in erosion of its net worth. These events and conditions indicate that a material uncertainty exists which may cast significant doubt about the Company's ability to continue as a going concern.

**Our report is not modified in respect of the above-mentioned matter.**

### Key audit matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
6. We have no matters other than those described in the Material uncertainty related to going concern section to communicate in our audit report.

### Information other than the financial statements and auditor's report thereon

7. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

**Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.**

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's responsibilities for the standalone financial statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
9. In preparing the standalone financial statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the audit of the standalone financial statements

11. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.
  14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
  15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
  16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on other legal and regulatory requirements

17. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
18. As required by Section 143 (3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The Balance Sheet, the Statement of profit and loss including Other comprehensive income, Statement of changes in equity and the Statement of cash flows dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B' to this report;
  - g) In our opinion, the managerial remuneration for the year ended March 31, 2024 has been paid/ provided by the company to its directors in accordance with the provisions of section 197(16) of the Act, as amended;

Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements, if any;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection fund by the Company during the year ended March 31, 2024.
- iv. The Management has represented that, to the best of its knowledge and belief:
  - a) No funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - b) No funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. During the year, the Company has not declared any dividend.
- vi. Based on our examination which included test checks, the Group has used an accounting software which partially has a feature of recording audit trail for maintaining its books of accounts.

The management faced constraints on selecting the appropriate software vendor in delivering and installing the required updates, which prevented the immediate implementation of audit trail-compliant software. Additionally, the company's current accounting software is fully capable of ensuring that the books of account and other relevant records are retained completely in their original format or in a format that accurately presents the information. The software ensures that the data remains complete and unaltered, thereby maintaining the integrity and reliability of the records.

As proviso to Rule 3(1) of the Companies (Accounts) Rules 2014 is applicable from

April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

- (b) According to the records of the Company and the information and explanations given to us, there were no statutory dues referred to in sub clause (a), which have not been deposited on account of any dispute.
- (viii) According to the information and explanations given to us and based on our verification, there were no transactions which are not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43) of 1961.
- (ix)
  - a) According to the information and explanations given to us, the Company does not have any loans or other borrowings from any bank/ financial institutions. Further, the Company has not defaulted in the repayment of principal and interest thereon to any other lender.
  - b) The Company has not been declared wilful defaulter by any bank or financial institution or any other lender.
  - c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year. Accordingly, clause 3(ix) (c) of the Order is not applicable.
  - d) The Company has not raised funds on short term basis. Accordingly, clause 3(ix) (d) of the Order is not applicable.
  - e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of associates.
  - f) The Company has not raised any loans during the year. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- (x)
  - a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3 (x)(a) of the Order is not applicable.
  - b) The Company has not made any preferential allotment or private placement of shares or convertible debentures during the year. Accordingly, clause 3 (x)(b) of the Order is not applicable.
- (xi)
  - a) According to the information and explanations given by the management and based upon the audit procedures performed no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
  - b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and up to the date of this report;
  - c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv)
  - a) In our opinion, the company has an adequate internal audit system commensurate with the size and nature of its business;
  - b) We have considered the reports of the Internal Auditors for the period under audit.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, clause 3(xv) of the Order is not applicable.

- (xvi) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934, and is not a core investment Company (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence reporting under clause 3(xvi) and sub-clauses of the Order are not applicable.
- (xvii) The Company has not incurred any cash loss in the current as well as in the immediately preceding financial year.
- (xviii) There has been no resignation of the Statutory Auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- (xix) As stated in the paragraph 4 of the Independent auditor's report, the Company has accumulated losses amounting to Rs. 2,265.89 lakhs as on March 31, 2024 resulting in erosion of its net worth. These events and conditions indicate that a material uncertainty exists which may cast significant doubt about the Company's ability to continue as a going concern. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provisions of section 135 are not applicable to the Company and hence reporting under clause 3(xx) and its sub-clauses of the Order are not applicable.
- (xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

### Annexure “B” to the Independent Auditor’s Report

#### Report on the Internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Adhbhut Infrastructure Limited (“the Company”) as of March 31, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for internal financial controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors’ responsibilities

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### Meaning of internal financial controls over financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

#### Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur

and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

## Notes to the Standalone Financial Statements

### 1. Company Overview

M/s Adhbhut Infrastructure Limited is a limited company incorporated in India on 19<sup>th</sup> February 1985. The address of its registered office is Begampur Khatola, Khandsa, Near Krishna Maruti, Basai Road, Gurgaon, Haryana, India, 122001.

The Company is engaged in Real estate development. The Company's operations encompass various aspects of real estate and infrastructure development and all types of erection, commissioning projects on turnkey basis and letting building on lease.

### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

#### 1.1 Statement of Compliance

The Financial Statements have been prepared in accordance with IND AS notified under the companies (Indian Accounting Standard) Rules, 2015. The Company has adopted Indian Accounting Standard from April 1, 2016 and accordingly these standalone financial statements have been prepared with IND ASs notified by section 133 of Companies Act, 2013 read with relevant rules issued there under from time to time, to the extent applicable to the Company.

#### 1.2 Basis of preparation of Financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (IND AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The IND AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued Indian accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

#### 1.3 Use of Estimates

The preparation of the financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

##### 1.3.1 Useful lives of property, plant and equipment & capital work in progress

The Company reviews the useful life of property, equipment & Capital work in progress at the end of each reporting period or more frequently. The reassessment may result in change in depreciation expenses in future periods.

##### 1.3.2 Provisions and contingent liabilities

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognized or disclosed in the financial statements. A contingent asset is neither recognized nor disclosed in the financial statements.

## Notes to the Standalone Financial Statements

### 1.4 Impairment of Assets

#### 1.4.1 Financial assets (other than at fair value)

The company assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction.

### 1.5 Income Taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

### 1.6 Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation /amortization and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The cost of property, plant & equipment also includes initial estimates of dismantling cost and restoring the site to its original position, on which the site is located.

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is an indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit or loss. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit or loss.

### 1.7 Investment Properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

### 1.8 Financial Instrument

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets (Except Net Investments) and financial liabilities (Except Borrowings) are recognized at fair value on initial recognition, except for trade receivables and security deposits, which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition.

## Notes to the Standalone Financial Statements

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination, which is subsequently measured at fair value through profit and loss.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts are approximately at fair value due to the short maturity of these instruments.

### 1.9 Borrowings

Preference Shares are separated into equity and liability components based on the terms of the issue / contract. On issuance of the preference shares, the fair value of the liability component is determined using a market rate for an equivalent instrument. This amount is classified as financial liability and it is measured at amortized cost method until it is extinguished on conversion or redemption. The remainder of the proceeds is recognized and included in equity component is not re-measured in subsequent years.

### 1.10 Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimated, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions determined by discounting the expected future cash flow at a pre-tax rate that reflects current market assessment of the time value of money and the risk specified to the liability.

### 1.11 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivables. Amounts disclosed as revenue are exclusive of taxes and net of returns, trade allowances, rebates, discounts and value added taxes.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured regardless of when the payment is being made. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each agreement.

- All expenses and income are accounted on accrual basis.

### 1.12 Lease

#### As a lessor

Lease income from operating leases where the company is a lessor is recognised in income on a straight - line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases . The respected leased assets are included in the balance sheet based on their nature .

### 1.13 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

## Notes to the Standalone Financial Statements

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Consolidated financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is Unobservable

For assets and liabilities that are recognized in the Consolidated financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period or each case.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures for valuation methods, significant estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Investment in unquoted equity shares
- Financial instruments

### 1.14 Depreciation & amortization

The company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. Depreciation on additions/deductions to property, plant and equipment is provided on pro-rata basis from the date of actual installation or up to the date of such sale or disposal, as the case may be.

### 1.15 Earnings per equity share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

### 1.16 Cash and Cash Equivalent

Cash and Cash equivalent comprise cash in hand and demand deposits, together with other short term, highly liquid investment that are readily convertible into known amounts of cash and which are subject to an in significant risk of changes in value.

### Notes to the Standalone Financial Statements

#### 1.17 Employee Benefit Expenses

- **Short-Term Employee Benefits**

Short - term employee benefits include performance incentive, salaries & wages, bonus and leave travel allowance. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the services.

#### 1.18 Cash Flow Statement

Cash flow are reported using indirect method set out in Ind AS-7 on cash flow statement, except in case of dividend which is considered on the basis of actual movement of cash with corresponding adjustments of assets and liabilities and where by profit for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items in income or expenses associated with investing or financial cash flow. The cash flow from operating, investing and financing activities of the company are segregated.

### NOTES FORMING PARTS OF THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2024

[All amounts are in rupees lakh, except share data and earnings per share]

The carrying value of financial instruments by categories as of Mar 31, 2023 is as follows:

(Rupees in Lakhs)

PARTICULARS	Fair value through Profit & Loss A/c	Fair value through other comprehensive income	Amortised cost	Total carrying value

#### Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The financial instruments included in Level 2 of fair value hierarchy have been valued using quotes available for similar assets and liabilities in the active market. The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a range of possible fair value measurements and the cost represents estimate of fair value within that range.

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosure are required):

As at March 31, 2024

#### Note : 29.1 Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include investment, loans, trade and other receivables, and cash & cash equivalents that derive directly from its operations.

The company is exposed to credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each risk, which are summarised as below:

##### (A) Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: Interest rate risk and currency risk. Financial instruments affected by market risk include loans and borrowings, deposits and payables/ receivables in foreign currencies.

##### - Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company has no borrowings and hence not exposed to interest Rate Risk.

##### - Foreign currency risks

Foreign risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not dealing in foreign currency transaction therefore the Company is not exposed to foreign currency risks.

##### (B) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and deposits with banks.

##### (C) Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure funds are available for use as per requirements. The Company's prime source of liquidity is cash and cash equivalents and the cash generated from operations. The Company has no outstanding bank borrowings.
